Foundation for Blind Children

*Proudly announcing our 5th  
annual One Club Classic!*

The One Club Classic is a signature fundraising event hosted each year by the Young Visionaries Board! It's a "golf tournament with a twist" to raise money for Foundation for Blind Children (FBC). The tournament will be played at night using glow in the dark balls, and each player is allowed just one club to navigate the course. This is a golf-inspired fundraiser that is fun and inclusive of all, from the avid golfer to the casual putt-putt golfer.

**\$60,000** RAISED  
IN 2023

100% of proceeds from the One Club Classic are  
donated directly to the Foundation for Blind Children.

## ***WHO WE ARE***

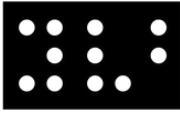

Young Visionaries Board (YVB) is a group of young professionals between the ages of 25 and 35. We conduct fundraising and outreach efforts with and for the Foundation for Blind Children and introduce the next generation to philanthropy. Members of YVB spread the name and mission of FBC through their involvement serving on the board, as well as involvement in other charitable events and community activities. The Young Visionaries Board is a platform for hard-working young professionals to launch their involvement in the Phoenix philanthropic community.

## ***WHO WE HELP***

The Foundation for Blind Children (FBC) was founded in 1952 by parents of blind children who wanted services for their blind children in Phoenix, instead of having to send them to the State Institution for the Blind in Tucson. They serve the blind and visually impaired of all ages, from birth to currently 102 years old. FBC is an essential resource to families and children with blindness or low vision. With three Valley locations, FBC serves as "the" community's resource for blind, visually impaired, and multi-handicapped children, adults, and their families.
